THE NEED

The Companies Act, 2013, SEBI Listing Regulations and now The Code of Ethics by ICAI; all have re-emphasised the significance of a robust compliance framework.

The responsibility on Key Managerial Personnel (KPMs), Board of Directors, CFO, Chartered Accountants, Auditors, Company Secretary to devise a proper system for ensuring compliance with the provisions of all applicable laws is clearly established.

It's a daunting task for any compliance officer to give assurance to the board as no. of laws and compliance applicable could be anywhere between 50 to 1,000+ and 2,000 to 50,000+ respectively; basis no. of entities, locations as part of the group.
