STATEMENT OF OBJECTS AND REASONS

The Ordinance for amendment with regard to insertion of Chapter III(A): Town Planning Schemes and Chapter IV(A): Peri-Urban Areas in the Nagaland Town and Country Planning Act, 1966 was promulgated by the Governor on 27.01.2025.

Town Planning Scheme involves pooling of contiguous plots of land from various land owners with prior consent of landowners. Proper layout plan is prepared with provision for various public amenities such as roads, schools, hospitals, parks etc. Land required for such public amenities are proportionately deducted from every plot and the plots are re-allotted to the original landowners in proportion to their original land holdings. This system of Planning may be more suitable for State like Nagaland where land is owned either by individual or communities. Further, it saves the State exchequer from land acquisition cost.

Peri-Urban areas are zones of transition from rural to urban areas usually located adjoining to urban areas. In due course, such areas become part of the urban areas and therefore such areas need to be notified and necessary Master Plan need to be prepared to ensure planned development of such area.

The Nagaland Town and Country Planning (Fourth Amendment) Bill 2025 is hereby introduced in the floor of the Nagaland Legislative Assembly.
